 <p>Presents COFFEE WITH JESUS</p> <p>Drifting Away</p> 	 <p>There was a time I was so sure, Jesus. I knew it all; had it all figured out. I'm just more comfortable <i>not</i> being so sure.</p>	 <p>That's a good place, Kevin. I can work with you better from here than from your old lofty, certain spot.</p>	 <p>So... all this time I thought I was drifting away and I've actually been on the right path, Jesus?</p>	 <p>All this time you <i>really</i> were drifting away, Kevin. And that's often part of the right path.</p>

Ananias' Theological Thoughts

My Big Guy made up with me after leaving me at a doggie hotel while he went to the Synod Assembly. It was nice to get to play with other dogs, but I was really excited to see My Big Guy when he picked me up. I heard him talking to the lady and started getting excited.

Maybe that is what Jesus meant when he said his sheep know the sound of his voice. Just by hearing someone's voice you can know that you are loved and cared for.

Licks and Love,
Ananias Bulldogge Campbell
